

Media Consent Form

I understand that all videos and photos I release to the College of Education & Human Development communications office may be used for promotional purposes in a variety of formats, including the college's YouTube page and Flickr account. I agree that the college may use, edit or reproduce such materials or share them with others for any purpose related to the promotion of the college and its related programs and activities. I release all claims against the College of Education & Human Development and others with respect to the copyright, publication or use of such videos, including any claim for compensation related to their use.

I also acknowledge that all subjects present in these videos or photos have given their permission. I have obtained a signed media release form* from each individual or received their implied consent. If I do not have a signed media release form, I understand that I am responsible if the subject objects to having their image displayed on the web or in print. I also am aware that no copyrighted material of any kind can be present in the videos or photos, including copyrighted music, audio, photography or video.
